

STEEL PIPE

+ Carbon Steel Pipe

Pipe Sizes

- Seamless — ½" through 30"
- Welded (ERW & DSAW) — ½" through 60"
- Schedules 10 through 160
Including XH & XXH (and walls not on the pipe charts)
- Heavy wall up to 4"

Pipe Grades

- API 5L — X42 to X70
- SA106B/C, A106B/C
- SA53B, A53B
- A333 Grade 6
- A500
- A252
- A335 P1-P91
- A671, A691
- Domestic and Import pipe in stock

+ Stainless Steel

- 304, 316
- Seamless, welded — 1" to 36"
- Schedules 10 through 160
including XH & XXH
- Domestic and Import pipe in stock

— We also stock...

- Pipe Bollards
- Galvanized Pipe
- Mill Reject Pipe
- Used Pipe
- Tubing — Square, rectangular, and round
Including specialty tubing (DOM, HFS, CDS, etc.)

— Our Services

- Cut to Length
- Production Saw Cutting
- Rolled and Welded
- Coatings — FBE, ARO, Primer
- Heat Treating
- Sand Blasting
- Pipe Profiling
- Inventory Management
- Custom Tube Sizes

We quote delivered pricing.
